## Work Experience

### [Fidelity Investments]

*Business Analyst Intern*

Cincinnati, OH

May 2019 - Aug 2019

Analyzed risk tracking data in Salesforce for 10,000+ accounts

Completed data validation on 3,000+ records after a conversion from one recordkeeping system to another

Began the initial data share between internal business units to increase data transparency between units

Used a data cleaning tool DemandTools to analyze the amount of duplicate accounts in our Salesforce instance and proposed and implemented a strategy to merging and deleting 4,000+ duplicates

### [Fidelity Investments]

*Workplace Solutions Intern*

Cincinnati, OH

May 2018 - Aug 2018

Developed and implemented universal naming standards for public folders within Salesforce

Organized the clean-up and streamlining of over 4,500 contacts within Salesforce to improve efficiency

Targeted and optimized the consolidation of EIN's for all Tax Exempt Market Prospects

## Involvement

### [Alpha Rho Chi]

*Founding Father/Recruitment Director*

One of the founding members of the Architectural fraternity on campus after 20 years of being dormant

Recruited members in order for us to become a colony and become a chapter during spring 2020

## Skills & Info

Highly Proficient in Adobe Photoshop, Illustrator, and InDesign

Intermediate in ArcGIS, Google Sketchup, and Rhino

Fluent in Danish and conversational in French and holds Danish passport
